

WHO WE ARE

CUSTOMER FOCUSED TO PROVIDE COMPREHENSIVE PRODUCTS & SERVICES

Wellbore Integrity Solutions (WIS) is a **customer-focused platform** providing a comprehensive suite of products and services that enhance the life cycle of oil, gas, and geothermal wells. As a standalone, independent company with a vertically integrated structure, WIS focuses on providing **quality** U.S. manufactured products delivered via a **global** engineering and field services footprint.

Through our unique position in the energy industry, we serve the wellbore integrity needs of energy companies, service companies, and local partners. Operating in over **30 countries** with more than **45 facility locations**, WIS is focused on our customers utilizing integrated resources, which include approximately **100 employees** globally, encompassing **49 nationalities** around the world.
